

Product Change Notice (PCN)

Date: 10/22/2021

PCN Number: PCN-0334008R-01

To Our Customers:

We appreciate your use of CUI Devices products. Our commitment in maintaining and improving processes is demonstrated by plans to enhance our product quality, reliability, and manufacturability. The purpose of this notice is to inform you of a product change.

Product(s) Affected:

CMC-5044PF-A
CMC-5042PF-AC
CMC-2742PBJ-A

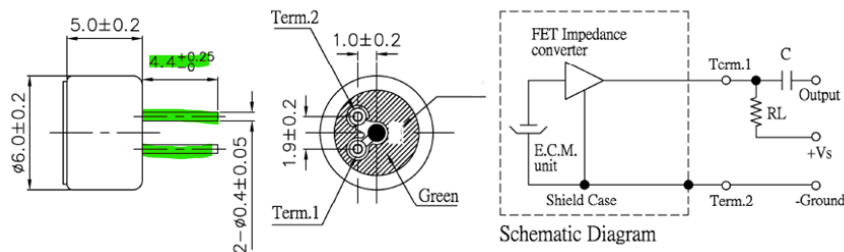

Reason(s) for Change:

To ensure lead times are not being extended with shortage of material we have changed to a new PCB supplier and will be using a PCB with a 2.8 mm pin length and a 10pf + 33pf capacitor. Adding the two additional capacitors will be helpful on anti-interference at high frequency.
